Back in the saddle again, saddle leather that is. Our oh so versatile leather director's bar stool looks right at home whether that home is your ranch, your penthouse, or any home on the range. Hand-tipped saddle leather wrapped seat, back, and arms surround a black metal frame accentuated with antique brass trim reminiscent of the brass tacks on a bridle. Durability and style all in one gorgeous bar stool, why not?!

width: 20"

description:

leather - (distressed saddle)
metal - (black)
brass* - (antique - lacquered)

* note lacquer coating naturally wears over time leaving a beautiful brass patina
