

J40

There is perhaps no more significant centerpiece to any living space – indoor or out – than the sofa. It's a place to come together and to share stories, to bond, to let sprinkler-drenched days slip into tiki-torch nights. With its dark gray/brown leather look PVC-wrapped wrapped around a dark brown powder coated aluminum frame, cushioned by plush padded seats and backs, and adorned with white piped gray fabric pillows, you're gonna want to sink into the J40 sofa and stay a while.

* Natural color variations may occur due to the PVC hand finishing color process.
