Sometimes when you hold court among an outdoor gathering, you need to sit solo. Not that you're antisocial, you just enjoy seeing the party come together. Without the confines of armrests, our J41 outdoor chair allows you to lounge freely – supported by a dark brown powder coated aluminum frame wrapped in dark gray/brown leather look PVC, and a plush woven padded seat & back. Adorned with a white piped gray fabric pillow, this chair is perfect for hanging loose while the grill gets hot.

\* Natural color variations may occur due to the PVC hand finishing color process.
