

J46

When sitting out on your veranda, it's all about simplicity. A cold drink, a warm conversation, and a refined but practical chair. J46 is understated in appearance, but not comfort. A padded seat and back made from a dark gray/brown PVC wrapped around a dark brown powder coated steel frame, it's all you need to take a load off.

* Natural color variations may occur due to the PVC hand finishing color process.

width: 20 1/2"
depth: 25 1/2"
height: 32"
seat height: 18"
arm height: 23 1/2"
