

J49

When you entertain this summer season, you're gonna need a space for games and libations. Every veranda needs a coffee table to support good memories in the making. Look no further than the J49: with its dark brown powder coated aluminum frame wrapped in dark gray/brown leather look PVC weave, topped by a cream color matte cast stone, all it's missing is some spirited competition among friends.

* Natural color variations may occur due to the PVC hand finishing color process.
