

J50

Whether it's a cocktail perspiring in the afternoon sun, or a candle flickering along with an array of dancing fireflies in the evening shadows, the J50 is a perfect spot to place something simple-yet-vital to the summer experience. With its dark brown powder coated aluminum frame wrapped in dark gray/brown leather look PVC weave, topped by a cream color matte cast stone, this unobtrusive side table can enhance – and serve – any veranda corner.

* Natural color variations may occur due to the PVC hand finishing color process.
