

# J52A

Whether it's your favorite craft cocktail you finally mastered, or a bottle of freshly-uncorked vino taking time to breathe, the J52A is a perfect spot to place something simple-yet-vital to your home experience. With a black leather mock croc top sitting upon four slender, polished brass bamboo inspired legs, this unobtrusive end table turns form into function effortlessly. While meant to be appreciated, the entire table can be set aside until your next soiree by simply removing and folding up the table's legs for easy storage. After drinking you just might want to clear space for the dance floor...
