

J53A

A little something on the side. The J53A Side Table is ready and willing to be there for you in your times of need – supportive without being intrusive. Elegant, but also a little sexy. With a black leather mock croc top sitting upon four slender, polished brass bamboo inspired legs, this reliable side table can enhance – and serve – any space it inhabits. Like the best of discreet friends, the J53A loves to show off but is just as ready to lay low on short notice by simply removing and folding up the table's legs for easy storage. Out of sight, but never out of mind.
