

J58A

Sure, you could put some choice coffee table books on the J58A to show off how cultured you are and impress your friends. Or perhaps some abstract sculpture that initiates conversation and serves as a Rorschach test for guests. Or you could just leave it as is and let this sleek, minimalist table speak for itself: with its black leather mock croc sitting upon four slender, polished brass bamboo inspired legs, it serves as its own effective commentary on your impeccable good taste. While meant to be enjoyed among guests, the entire table can be set aside by simply removing and folding up the table's legs for easy storage.
