

# J75

Add a rustic touch of charm to any room with this wood look resin side table. With branch-like legs and a tree ring patterned top, guests will assume you channeled some serious lumberjack skills and crafted it yourself during a hike through the woods. Because of its water-resistant resin, the J75 will warm up any space it dwells in – indoors or out – no axe required.

width: 19"  
depth: 17"  
height: 18"

description J75A:

resin - (dark brown)

description J75B:

resin - (light brown)
