

# J16A

The focal point of any room, the Coffee Table connects natural elements to the human touch. The Coffee Table was inspired by the idea of pouring liquid metal over natural wood and letting it fall and seep into the cracks. This work of art is finished in antique brass color and works best with both small and large together.

large:

width: 36 1/2"  
depth: 32 1/2"  
height: 16 1/2"

description J16A:

resin (antique brass color)
