The Straw Cabinet is inspired by a technique favored by iconic Parisian furniture designer Jean Michel Frank. This dying technique allows for a depth of color that maintains the integrity of the straw. The sexy, textural touch of the charcoal and blonde color straw is juxtaposed by a high-gloss elephant gray lacquer.

width: 39"  
depth: 20"  
height: 40 1/2"

#### description:

lacquer - (high gloss elephant gray color)
